PREFACE

THIS part of the *Catalog of Copyright Entries* contains a list of the domestic and foreign published music registered in the Copyright Office from July 1, 1949, through December 31, 1949. Included also are selected works registered as unpublished music and musical materials registered as books, pamphlets, dramas, and contributions to periodicals. Renewal registrations of music made in this period are listed in Part 14B of the *Catalog*.

Arrangement.—The main section contains entries giving complete information about each work, arranged alphabetically under the name of the person chiefly responsible for the work (composer, editor, arranger or compiler). Cross-references are made for the names of others who participate in the work.

The second section is a Title Index, in which each registration is listed under its title. The name under which the full entry is given in the main section follows the title.

The third section is a Classified Index in which each registration is listed under the medium of performance of the work, or, when the music is of a special type, under the subject heading for that group. For a fuller explanation, see the introduction to the index itself.

The fourth section is a Claimant Index in which each registration is listed under the name of the person or firm appearing in the application as the copyright claimant.

Entry.—The names by which the entries are alphabetized are given in the fullest known form, with cross-references from pseudonyms, nicknames, and forms contrary to normal usage in the particular language.

MARAIS, JOSEF, *pseud.* See Pessac, Joseph.
GRASSI, ANTONIO DE. See De Grassi, Antonio Joachim.

In the main entry, the name used in the heading is followed by the title and the names of all the

authors. Name of publisher and place of publication are given when the publisher and claimant are not the same. When no publisher is given, it is to be understood that the claimant is the publisher.

Filing titles are supplied when necessary to bring together all excerpts from one work, or to file non-distinctive titles under the name of the musical form. Filing titles are placed in curves in front of the title as given on the work, for example:

**(Roberta)* The touch of your hand, from the musical play
—Roberta.

**(Concerto, violin, no. 2, A minor)* Deuxième concerto pour
—violon & orchestre.

The asterisk preceding the title indicates that Library of Congress printed cards are available for purchase. Orders for or inquiries regarding these cards should be addressed to the Card Division of the Library of Congress.

Copyright Data.—The statement giving the facts of copyright registration begins with the copyright symbol ©, which is followed by the name of the claimant, and for claimants other than individuals, the place of publication, the date of publication given on the application, and the registration number. If the claim is based on new matter, a brief description of the new matter is given between the date and the registration number.

Deposit of Copies.—In the case of every copyright entry listed in this part of the *Catalog*, the deposit of copies (or copy), as required by Title 17, U. S. C., secs. 12, 13 or 215 has been made. Foreign works for which two copies have been deposited, under sec. 215, are distinguished by a registration number, the first digit of which is a zero.

Authority.—The *Catalog of Copyright Entries* is published by authority of Title 17, U. S. C., secs. 210 and 211. Section 210 provides that the *Catalog* "shall be admitted in any court as prima facie evi-

dence of the facts stated therein as regards any copyright registration."

Organization of the Catalog.—This issue of the *Catalog* is part of Volume 3 of the Third Series. The parts are numbered according to the alphabetical sequence of classes as listed in Title 17, U. S. C., sec. 5. Letters are added to the part numbers to indicate subdivisions.

The classes of material principally contained in each part are listed, together with their respective symbols, under the title of the part in the Table of Organization which faces the title page in this issue. In each case, the first letter of the symbol is that of the class under which registration is made; the second, if any, is a designation added by the Copyright Office for purposes of statistical analysis of registrations. The symbol R does not represent a class designated by the Copyright Act, but has been adopted by the Copyright Office to distinguish renewal copyright registrations. Some parts also contain registrations made under other symbols if the subject matter or type of material of these registrations is similar to that generally included in the part.

Orders.—The Office calls attention to the fact

that orders for all parts of the *Catalog* should henceforward be sent directly to the *Register of Copyrights, Library of Congress, Washington 25, D. C.* Orders may be placed as follows: (1) as subscriptions to continue until further notice, or (2) as orders for individual issues. All orders should state clearly the title and inclusive dates of the issues wanted. For the convenience of subscribers, payment may be made either in advance (accompanying the order) or upon receipt of an invoice from the Copyright Office. *Checks or money orders should be made payable to the Register of Copyrights.*

The price of each individual number of the *Catalog* is given in the Table of Organization. The annual subscription rate for each part is twice the price of a single number, since all parts are issued semiannually. The complete *Catalog of Copyright Entries* for one year may be secured on a subscription basis for \$20.

Inquiries.—The Copyright Office welcomes inquiries, suggestions, and comments on the content and organization of the *Catalog*. Please address communications of this nature to the *Chief of the Cataloging Division, Copyright Office, Library of Congress, Washington 25, D. C.*

CLASSIFIED INDEX

An index which lists, under a heading descriptive of its medium of performance or special character, each work included in this issue. For each entry the name under which it will be found in the main section is given first, followed by the title.

INTRODUCTION

The classified index is designed to meet the needs of those who are searching for music for performance, or for music of national characteristics or special subject interest. The headings have been selected and the list of headings constructed on the principle of using specific headings in so far as possible, e. g., Operas, not Dramatic Music -- Operas. However, headings of broad scope with sub-divisions for specific types have been used when the headings are so closely related as otherwise to require numerous cross references or searching under widely separated headings, e. g.,

Chamber Music - String quartets,
not String Quartets
Choral Music, not Trios (vocal)

The words "music" or "songs and music" should be understood to follow most of the headings, e. g.,

Guitar [music]
Chile [songs and music]

The headings are arranged alphabetically. When subarrangement is necessary, it is sometimes in an alphabetical order of categories (see Juvenile music) and sometimes in a logical order (see Chamber music).

To facilitate locating the desired heading, the Classified Index is preceded by a "Table of Headings Used," citing the page number on which the list under each heading starts. Cross references are included from headings not used, and from sub-divisions of a general heading to the broad heading. All cross-references are given in the table, and are not repeated in the index itself. Examples are:

Oratorios. See Choral music -
Sacred choral works
String quartets. See Chamber
music - Quartets - String
instruments.

Cross references are made from one heading to another when the second covers

closely related material, e. g., Orchestra. See also String orchestra.

Instructive material for particular instruments is listed under the name of each instrument, e. g., Violin instruction. Material which is predominantly textual, such as histories, biographies, and works on appreciation, theory, etc. will be found in a separate section at the end called Books and pamphlets on Music.

The entries in the index constitute brief references to the main entries in the first section of this volume. The entries consist of the name of the author, with the initials of his forenames, followed by the title-page title, or the filing title and the title-page title. Each entry in the index is represented by an entry under the composer in the main section, where any other editions registered in the period covered by this catalog will also be found.

The abbreviations used are: acc. - accompaniment; unacc. - unaccompanied; arr. - arranged.

 Do you care.
 Do you share my dreams.
 Don't go out any more.
 Don't two time me.
 Don't you love me, baby.

 ing.
 Dreaming with the moon.

 you.
 Falling leaves.
 Fear of a rose.
 The first love.
 Foggy blues.
 For that someone I love,
 I love.
 Forever.
 Frosty morning.

Get up and greet the sun
 with a song.
 Give me a chance.
 Give my heart a break,
 but darling, please don't
 break my heart.
 Gold at the end of the rain-
 bow.
 A good night kiss.
 Got Texas in my heart.
 The great state of Virginia.
 Happiness is where you
 find it.
 Heartless lover.
 A heaven of my own.
 Hello, lady.
 Hello, Operator, won't you
 give me heaven, please.
 He's in love with me.
 Highway of love.
 Homesick.
 How many times can a
 heart break.
 How nice it will be to love
 you.
 Hungry for love.
 I believe in dreams.
 I belong to you.
 I can never love anyone but
 you.
 I cannot see.
 I can't give you up even
 though you threw me down.
 I can't love you as I should,
 but I'll love you all I can.
 I can't seem to go on.
 I don't love you any more.
 I don't mind sharing any-
 thing but you.
 I don't want to dream any
 more.
 I fell for you.
 I got a claim on your love.
 I hold a girl in my arms.
 I know an angel.
 I know that I shouldn't love
 you.
 I lie to myself.
 I loved you not so very long
 ago.
 I miss you, darling.
 I never had a chance.
 I often wonder why.
 I recorded my heart.
 I remember.
 I tell my heart to stop
 remembering.
 I think I'll pop the question.
 I want you to know.
 I was out with you, new
 moon.
 I wish I didn't love you.
 I wished for an angel.
 I wonder, now that you're
 away.
 I would like to be your
 darling.
 I'd give a lifetime, for one
 moment with you.
 If I could make you happy.
 If I could only.
 If I could only live alone.
 If it's kissin' that you're
 missin'.
 If seein' is believin'.
 If you knew my darling.
 If you love me.
 I'll always remember.
 I'll always see heaven when
 the clock strikes eleven.
 I'll be there to meet you,
 Sonny.
 I'll betcha I'll letcha.
 I'll keep right on dreaming.
 I'll meet you tonight,
 Senorita.
 I'm anxious about you.
 I'm disappointed in you.
 I'm forever saying I'm
 sorry.
 I'm gonna find myself a new
 baby, baby.
 I'm lonely, babe.
 I'm looking for someone to
 love.

I'm madly in love with you.
 I'm seeing double.
 I'm sleepy.
 I'm smiling to hide my
 tears.
 I'm sorry that you feel the
 way you do.
 In a rose.
 In answer to your letters.
 In every dream.
 In love without consent.
 In my motorboat.
 In the secret place of my
 heart.
 Is there a law against love.
 It's easy to fall in love with
 you.
 I've got an open heart,
 sweetheart.
 I've never been blessed
 with romance.
 I've never been in love.
 Jingle bells, Xmas bells.
 Just a minute, sugar.
 Just lonely.
 Just lovely, lovely you.
 Just one kiss.
 Just to look at you.
 Just you and I.
 Keep on smiling.
 The key to my heart.
 Knock me down blues.
 Knocking on my door.
 Lady in search of danger.
 Lane of love.
 The last call to love.
 Last night.
 Let me hear that song
 again.
 Let me ride Montana's
 ranges.
 Let's go riding in my air-
 plane.
 Listen to me dear.
 Listen to your heart.
 Loneliness.
 Lonely.
 Lonely nights.
 Looking for you.
 Lost love.
 Love.
 Love me the way you'd love
 a baby.
 Love means everything.
 Love or hate.
 Love passed me by.
 Lovely.
 Lover's blues.
 Lovers' chaperon.
 Love's dream.
 Lucky me.
 Lucky star.
 Mama, buy me that doll.
 Mama, I'm returning home.
 Married happiness.
 Mary Lou Rose.
 Maybe it's love.
 Me, myself, and I.
 Me too.
 Memories of you.
 Memories write a song.
 The Milky Way rumba.
 The Mississippi moon.
 Mr. and Mrs.
 Mom, not mother.
 The moon doesn't want to
 shine.
 More and more each day.
 Morning, noon and night.
 My darling, like a flower.
 My Denver doll.
 My dream of beauty.
 My first gem of devotion.
 My greatest mistake.
 My heart is blue.
 My heart is broken, for
 you took my love as a
 token.
 My heart is doing pitty-pats
 for you.
 My heart is in the heart of
 Texas.
 My heart would not under-
 stand.

My heartaches and tears.
My lady love.
My life to you.
My lonely heart.
My love.
My lovely love and I.
My only love.
My only wish.
My rainbow bridge.
My shining moon.
My sweetheart.
My sweetheart, don't leave me.
My very own.
My wedding day.
Nadine.
Nancy, darling.
Nanna's lullaby.
Needless to say.
The night before I met you.
The night you said goodbye.
Nobody else but you.
No more.
No one can ever take your place.
No one to love me.
No use to start over.
Not meant for me.
Oh, my darling.
Oh, you great big yellow moon.
Old moon.
On the banks of a stream in Tennessee.
The one and only.
Only Heaven knows.
Perfect dream.
Picture in the sky.
Place me in your heart.
Plotting and planning.
Prairie lullaby.
Precious dream.
Rain on the roof top.
Rangeland lullaby.
Record of love.
The red bud.
Ridin' with my eyes filled with tears.
Riding in the rain.
Right or wrong, it's you.
The roller skate polka.
The roses bloomed.
Rosie the flower girl.
Satisfied.
Say please.
Searching for a lullaby.
September rhapsodies.
She'll always be my old sweetheart.
Shy little Kate.
Since forty-three.
The sing polka.
Singing and dreaming all day.
Slavery.
Sleepy Hollow.
So blue.
So doll up, my darling.
So sure of me.
Some day you'll remember me.
Someone.
Something's gone wrong.
Somewhere outside my heart.
The song of hope.
Spoodin'.
Starlight time.
Stars, stars, stars.
Stick by them that stick by you.
Stupid little Cupid.
Suddenly.
Sunset trail.
The sunshine is always there.
Sweet honeymoon.
Sweet Rene.
That helpless feeling.
That old feeling.
That old home town of mine.
There is no limit to love.
There's a flame in my heart.

There's magic in your eyes.
There's nothing I can do.
These small things.
They told me not to fall in love with you.
This crazy world.
This land called Oregon.
This time of year.
Tho' you're just around the corner, you're a thousand miles away.
Those rooming house blues.
Through with them one-night stands.
Throwing kisses at the sun.
To me, sweetheart.
To the girls of the U. S. A.
Tormented.
The trolley car ride.
Twilight dreaming.
The twilight echoes.
Two different things.
Two hearts are better than one.
Two hearts convening.
Two hearts too hurt to hide.
Umbrella song.
Unwanted and alone.
The vagabond lover.
Waiting and wishing.
Walk a star beam to the moon.
Walking.
Watch that sun, he's gonna shine.
We three.
Weary of life, without love.
We'll stroll in the starlight.
Western sunset.
A whale of a dream.
What goes on in my heart.
When I think of Ireland.
When it's twenty-two below.
When night winds blow sweet and low.
When the roses bloom in June.
When you go walking.
Where the trail ends.
Whirlwind.
Whisper.
Why can't we.
Why do I love that man.
Why does it rain when the sun should be shining.
Why take a chance.
Why weeping willows weep.
Will I be sad and lonely once again.
Will you wait.
Wishing.
Wishing wistful wishes.
Without you.
Wonderful, beautiful you.
Wondering.
Would you think of thinking of me.
You bring me life.
You captured my heart.
You changed my mind.
You had me guessing.
You naughty little rascal.
You say you don't love me.
You think I am living just for you.
You wouldn't think it.
You'll always be mine in dreams.
Young cowgirls.
Your name.
Your new affair.
You're so easy to love.
You're the lucky star.
